

# 2<sup>nd</sup> Grade Reading

September 2013

By Sue Poduska

August brought new ownership for the gradereading.net sites, but we're still dedicated to quality reading for children at all grade levels. Our reviewing staff remains similar, and wonderful group of people they are.

For second graders, we published a total of eleven reviews in

August and September, three of which are nonfiction.

The goal is to post three reviews per week, with as many nonfiction titles as possible to get children used to reading nonfiction.

As of September 25, 2013, we have five grade reading sites – first through fifth grades. It's been a ball setting up 1stgradereading.net with all the colorful book covers. We hope you enjoy reading about them.
