

2nd Grade Reading

October 2013

By Sue Poduska

October was a quiet month for 2ndgradereading.net. We were only able to review three books, but they are all winners!

Don't miss our other four grade reading sites – first through fifth grades. Sixth grade is coming soon.

October Titles

[Trick or Treat](#) by Leo Landry

[Trouper: Based on a True Rescue Story](#) by Meg Kearney

[Train](#) by Elisha Cooper

Train “Second grade readers and third grade readers will enjoy reading this book of sparse text and detailed pictures over and over as they study the pictures and feel the excitement of the trip.”
